### AgTC MISSION:

There is nothing that we export in agriculture and forest products, that cannot be sourced somewhere else in the world. If we do not deliver efficiently, affordably and dependably, our foreign customers have demonstrated that they can and will find another source in another country.

A pair of hands is shown from the wrist up, cupped together and holding a large quantity of yellow soybeans. The hands are positioned in the center of the frame. The background is a vast field of green soybean plants, with rows of plants stretching into the distance. The lighting is bright, suggesting a sunny day. The overall image conveys a sense of agricultural abundance and gratitude.
